Roadmap "Living in the city of Vienna”

The roadmap is a schedule for project-based learning "Living in the city of Vienna" to track and organize the progress and goals of the project. It defines the goals and milestones and sets a timetable so that the teacher always has an overview.

Goals

- ✓ acquire, classify and implement knowledge with the help of subject-related working tools
- ✓ find and discuss information on a subject in a team
- ✓ act democratically and tolerantly
- ✓ awaken interest in their own city
- ✓ get insight into the economic and social system of a city
- ✓ understand characteristics, tasks and environmental problems of the city
- ✓ know possibilities for sustainable urban development with regard to ecology
- ✓ present ideas and wishes to the representatives of district politics
