

Resources

Theoretical concept:

Hart Roger A. (1992). Children's' Participation: From Tokenism to Active Participation. UNICEF.

https://www.unicef-irc.org/publications/pdf/childrens_participation.pdf

- ⇒ The book gives an overview of what students' participation (i.e. they are directly involved in decision making processes) is and how it can be differentiated from manipulation (e.g. we just give the children instructions for what to do).

School parliaments – what, why, how:

CEDU – Centre for Democratic Education, Czech Republic

<https://cedu.cz/>

- ⇒ The web pages are key crossroads for schools which want to found or already have their school parliaments. They provide basic information on how a school parliament can be found, give methodological support, offer tools for self-assessment and for concrete activities. and offer space for networking.

Note: The web pages are only in Czech.

Participation – concrete ideas:

Living democracy: web pages

<https://www.living-democracy.com/>

- ⇒ The web pages offer methodology and concrete ideas for principals, teachers and parents for democratic education.
